

- 26 6. On December 20, 2012, a legal and lawful motion to compel a ruling on the
27 motion for recusal of Julie Kunce Field was presented to the clerk of courts and to
28 Stephen J. Schapanski.
- 29 7. On December 20, 2012, a legal and lawful motion to compel a signature on the
30 void judgment was presented to the clerk of courts and to Stephen J. Schapanski.
- 31 8. Stacy Lynne did not enter into a contract with either Jeffrey R. Pappenheim or
32 Amy Antomarria. All legal and financial responsibilities and liabilities for any
33 and all debts between those two private individuals rest with those who
34 voluntarily entered into those contracts.
- 35 9. Stacy Lynne and Jeffrey R. Pappenheim did not at any time enter into any
36 contract.
- 37 10. Non-consent to magistrate (JDF 405) is on record in case number 11 DR 444.
38 Magistrates do not have discretion to ignore non-consent when this legal and
39 lawful form is on record. Judges do not have the legal or lawful right to ignore
40 the right to non-consent to a magistrate.

41 **VIOLATIONS AND IMPROPRIETIES BY CAROLYN B. PANNELL**

- 42 1. Carolyn B. Pannell knowingly acted in violation of non-consent to magistrate
43 (JDF 405).
- 44 2. Carolyn B. Pannell intentionally acted in violation of Stacy Lynne's due process of
45 law by scheduling an illegal and invalid hearing for contempt.
- 46 3. Carolyn B. Pannell intentionally acted in violation of a permanent order.
- 47 4. Carolyn B. Pannell intentionally acted in violation of a valid void judgment that
48 nullifies the permanent order.
- 49 5. Carolyn B. Pannell willfully refused to acknowledge the United States
50 Constitution and the Colorado Constitution by insisting to continue an illegal and
51 unlawful hearing.

52 **LEGAL AND LAWFUL DEMANDS**

53 Based on the above verified facts, Carolyn B. Pannell, active attorney acting as
54 "Magistrate", is hereby required through her legal duties, her lawful responsibilities, and
55 her sworn oath to honor and protect the United States Constitution, operating in her
56 capacity underneath the supervision of Stephen J. Schapanski, "Chief Judge", shall take
57 the following actions *forthwith*:

- 58 1. Dismiss *with prejudice* any and all contempt proceedings against Stacy Lynne in
59 case number 11 DR 444.
- 60 2. Honor her oath to obey her supreme rule book, also known as The United States
61 Constitution.
- 62 a. Her sole legal commitment and lawful requirement is to secure and
63 protect Stacy Lynne's rights.

64 **LEGAL AND LAWFUL NOTICE**

65 Notice is hereby given of Stacy Lynne's intent to sue Carolyn B. Pannell under the
66 authority of the United States Constitution, the Colorado Constitution and the Colorado
67 Governmental Immunity Act.

68 **SUMMARY**

69 Carolyn B. Pannell took a recess on November 9, 2012 when Stacy Lynne
70 informed her that Pannell lacked the required knowledge to hear the case in front of her.
71 Pannell's *initial ignorance* of the facts in case number 11 DR 444 is plausible due to the
72 relentless lies and fraud that Jeffrey R. Pappenheim, Amy Antomarria, Susan Bartlett,
73 Elizabeth Seaboch, Julie Kunce Field, and others, have entered into the record. After
74 the recess concluded, Pannell denied that she consulted with a superior. And then
75 Pannell did admit that she consulted with someone whom she refused to identify, in
76 spite of the fact that she initially denied discussing the case during the recess. When
77 Pannell returned to the courtroom, she appeared to be under threat, coercion, or was
78 forced to proceed. Even so, after she was informed of the facts in case number 11 DR
79 444, she willfully continued the illegal contempt proceedings. Pannell refused to
80 dismiss the case, even though she knew that dismissal was the only legal, lawful and just
81 remedy to be served to Stacy Lynne. Collusion to commit fraud by the court is evident
82 here, ignorance of the law is inexcusable, and Carolyn B. Pannell had every opportunity
83 to act legally and lawfully. She refused.

84 **CONCLUSION**

85 Should Carolyn B. Pannell proceed with the contempt hearing against Stacy
86 Lynne on January 4, 2013, ***Pannell's intent to commit fraud, to act illegally,***
87 ***and to behave unlawfully,*** will be proven through her own actions.

88 Government employees are liable for their actions and are they not immune from
89 prosecution by the people when the people have been egregiously violated by abuse of
90 power, abuse of discretion, abuse of the law and abuse of the legal process. Gross
91 incompetence was demonstrated by Carolyn B. Pannell on November 9, 2012 during
92 open court. Reckless endangerment of Stacy Lynne's life and Jaden's life was shown by
93 Carolyn B. Pannell on November 9, 2012 during open court. The official court transcript
94 from November 9, 2012, the sworn affidavit of correction to Pannell's minute order filed
95 on November 19, 2012, and this notice and demand that is being filed on December 28,
96 2012, is the written record that verifies the truth of Pannell's reckless and wanton
97 disregard for the law.

98 Stacy Lynne is a law-abiding woman. Stacy Lynne has never failed to appear.
99 Stacy Lynne has never violated a court order. Jaden was safe, secure, healthy and whole
100 prior to December 21, 2011. Jaden is being abused by Jeffrey R. Pappenheim and Julie
101 Kunce Field and Stephen J. Schapanski and others.

102 Jaden was illegally, unlawfully, and viciously raped by Julie Kunce Field on
103 December 21, 2011, when she ordered Jaden to be stripped of his entire world and then
104 forced him to live with an abuser.

105 Stacy Lynne and Jaden are being abused by Jeffrey R. Pappenheim, an abuser
106 who is on official record proclaiming that he is going to use the "courts to teach Stacy
107 some more lessons". Using the courts to perpetuate child abuse and domestic violence
108 is a crime.

110 mind and body, do swear under penalty of perjury that I have read the foregoing **LEGAL AND**
